UC San Diego strategies based on our five goals

Goals

Delivering an educational and overall experience that develops students who are capable of solving problems, leading, and innovating in a diverse and interconnected world

Cultivating a diverse and inclusive university community that encourages respectful open dialogue, and challenges itself to take bold actions that will ensure learning is accessible and affordable for all

Nurturing and supporting a collaborative and interdisciplinary research culture that advances the frontiers of knowledge, shapes new fields, and disseminates discoveries that transform lives

Supporting and promoting just and sustainable forms of economic development, shared prosperity, and social and cultural enrichment regionally and globally

Creating an agile, sustainable, and supportive infrastructure by ensuring a dedication to service, people, and financial stewardship

Strategies
